

New Forest Pony Society of North America

TRANSFER OF REGISTRY APPLICATION

APPLICATION FOR ENTRY AS: PUREBRED PARTBRED SECTION X Date applied: _____

****Transfers from studbooks recognized by the New Forest Pony Breeding & Cattle Society of England are acceptable. Original passport/registration must accompany this application . Original passport/registration must show person applying as the current owner. If it does not, a copy of the bill of sale from the listed owner to the current owner must be provided to establish ownership. The originals will be returned with a NFPSNA Certificate of Registration. DNA parentage testing will be required for all breeding mares at the time of registration of their first foal. DNA myotonia testing will be required for breeding stock applicants descending from known myotonia carriers. Contact the NFPSNA for more information.****

STALLIONS: Stallion Licenses from a studbook recognized by the NFPB&CS of England are valid with the NFPSNA. The original license, showing the V.C. # must accompany this application. DNA tests for verification of parentage and myotonia (must be negative) must be on file with the University of Kentucky Equine Parentage Testing & Research Lab prior to covering any mares.
