

New Forest Pony Society of North America

Clinic / Other Event Participation Form (updated 2024)

Only list one show per sheet and only one pony / exhibitor combination per sheet.

The NFPSNA wants to reward doing activities with your New Forest Pony that may fall outside of mainstream showing or other categories set forth in our NFPSNA Rule Book.

For those instances where a clinic or other even will not be able to provide supporting documentation of show results, this Clinic/Other Event Participation Form can be used to obtain participation points (valued at less than regular show category points, but still important!).

PRINT THIS FORM AND TAKE IT TO THE CLINIC ... HAVE THE CLINICIAN SIGN AS PROOF OF PARTICIPATION!
